PROFILE

R10-MEMBER 90671264

ALAN D. BARTOLOME

Address : Lawaan St. San Antonio Binan, Laguna

Cell Phone : 0918-234-0821 **EMAIL :** sf6engineering@yahoo.com
bartolome_aland@yahoo.com

WORK EXPERIENCE

Thirty (30) years experience in Construction, Commissioning, operation and maintenance of Any Electrical Works including Electrical Design and Estimate, PLC Programming, trouble shooting and Repair.

SF-6 Engineering Services Philippines

Location: ***90 Lawaan St. Labrador Subdivision, San Antonio Binan City, Laguna***
Designation: ***Electrical Engr. / Contractor***
Duties and Responsibilities:

1.) Contracting all electrical works.
2.) Assist MERALCO and Municipal permit.
3.) Design and estimate of all electrical plans and projects.
4.) Supervision & coordination of all electrical works in the project.
5.) Material Costing & Supplier listing.
6.) Personnel Line-up Scheduling for Site & special project.
7.) Attending Meeting and Bidding of the Company in Electrical, Civil and Mechanical Works.
8.) Technical support for the product technicalities and specifications with in or out of the project.

5M-Star Builders, Incorporated. (5MSBI)

Location: ***6077 Pabaya St. Ext'n. Mapulang Lupa, Valenzuela City***
Designation: ***Electrical Engineer (Electro-Mech)***
Duties and Responsibilities:

1. Design and estimate of all electrical plans and projects.
2. Supervision & coordination of all electrical/mechanical works in the project.
3. Material Costing & Supplier listing.
4. Personnel Line-up Scheduling for Site & special project.
5. Attending Meeting and Bidding of the Company in Electrical, Civil and Mechanical Works.
6. Technical support for the product technicalities and specifications with in or out of the project.

IEEE
R10-MEMBER 90671264
IEEE PES Power & Energy Society
SF-6 Engineering PHILIPPINES

Tiger Steel Engineering Inc.

Location: ***United Arab Emirated (U.A.E.)***
Designation: ***Maintenance Engineer***
Duties and Responsibilities:

1.) Maintenance of all electrical/mechanical machineries and facilities in the plant.
2.) Do the schedule & coordination to the production for preventive & productive maintenance.
3.) Plan, Design, & Supervision of all electrical/mechanical works in the plant.

HUNT WEBER ELECTRIC (HW Electric Phils.)

Location: ***Makati City, Philippines***
Designation: ***Plant Engineer/ Manager***
Duties and Responsibilities:
At Plant:

1.) Supervision of works in installation & commissioning of different Electrical Panel.
2.) Testing & commissioning of different panel.
3.) Design & estimate of different electrical panel;
    ATS /MTS panel Smoke Detector panel
    MCC Panel Bus-bar protection panel
    Synchronizing panel, LV Switchboard, Etc.…
4.) Material Costing & Supplier listing.
5.) Personnel Line-up Scheduling for Site & special project.

At Site:

1.) Supervision & coordination of all electrical/mechanical works & services.

ABB Sae SADELMI SpA. (Italy)

Makers of Power Plant & Sub-stations

Location: ***Saudi Arabia (K.S.A./Abu Dhabi, U.A.E.)***
Designation: ***Construction and Commissioning Engineer***
Duties and Responsibilities:

1.) Supervision of Various Electrical/Mechanical Works. (Power Plant And Sub-Station)
2.) Pre-commissioning & Commissioning of Termination in various panel such as;
    Turbine Control Panel 11kv Switchboard
    Smoke Detector panel MCC Panel
    Bus-bar protection panel Synchronizing panel, Etc.…
3.) Commissioning & modification (Electro-mechanical design) of various panel.
    Turbine Control Panel 11kv Switchboard
    Smoke Detector panel MCC Panel
    Bus-bar protection panel Synchronizing panel, Etc.…
4.) Maintenance of 11kv switchboard.
    Turbine Control Panel 11kv Switchboard
    Smoke Detector panel MCC Panel
    Bus-bar protection panel Synchronizing panel, Etc.…

H & B Automation (Hartman & Brown) Germany

Location: ***Saudi Arabia (K.S.A.)***

Designation: ***Construction and Commissioning Engineer***

Duties and Responsibilities:

1.) Supervision of pulling cable & termination of PLC.
2.) Pre-commissioning & Commissioning of Termination in PLC.
3.) Programming and commissioning of PLC.

Project Assigned;

132kv Merin Gerin Compact In-door Sub-Station (SS880)
380kv NEI Rolls Royce (GIS) Sub-Station (SS9010)
Rabigh GAS Turbine to STEAM Turbine Power Plant (Combine Cycle)
Al-Taweelah Power & Desalination Plant

L & H Automation Philippines AB (Allen Bradly) U.S.A.

Location: ***Philippines***

Designation: ***Technical Support Engineer (TSE)***

Duties and Responsibilities:

1.) Technical support for the product technicalities and specifications with in or out of the project and sales department.

1st District Electrical Contractors Association

Location: ***(Sta. Rosa, Binan, San Pedro) Municipality Philippines***

Designation: ***Registered Electrical Contractor (R.E.C.)***

Duties and Responsibilities:

1.) Contracting all electrical works.
2.) Estimate & Design of electrical plan.
3.) Assist MERALCO and Municipal permit.
4.) Technical support for the technicalities and specifications with in or out of the project.

The assorted Tie-up Company Supervise, consultation and Electrical works here in the Philippines.

IEEE
IEEE PES Power & Energy Society™
R10-MEMBER 90671264
SF-6 Engineering PHILIPPINES

EDUCATION

Collegiate: Graduate
B. S. in Electrical Engineering
Technological University of the Philippines
Ayala Blvd. Manila

Associate: Graduate
Electrical Technology Engineering
Technological University of the Philippines
Ayala Blvd. Manila Philippines

Secondary: Graduate
Industrial Electricity
Jacobo Zaraga Gonzales Memorial School of Arts and Trade
San Antonio Binan Laguna Philippines

Special Skills:

Electrical Design and Estimate
PLC Programming and Trouble Shooting

1. AB, ABB
2. Siemens
3. Mitsubishi
4. Woodward
5. and Other PLC

R10-MEMBER 90671264

Member, Seminars and Training Attended:

Institute of Electrical and Electronics Engineer, Inc. (IEEE)

Affiliate MEMBER: R10-Member # 90671264

IEEE – PSES Product Safety Engineering Society

IEEE – PES Power & Energy Society

National Electrical Contractor Association (NECA)

On Process of Membership

1st DISTRICT ELECTRICAL CONTRACTORS ASSOCIATION

Location: ***Binan, San Pedro, Sta. Rosa Laguna***

MANILA ELECTRIC COMPANY

Location: ***San Pedro Laguna Branch Office***
Meralco Electrical Policies for Electrical Contractors.

WOODWARD Industrial Control (U.S.A.)

Location: ***Singapore***
Delegate for Training & Up-grading of product to Programming for friendly used.
(Power Management)

1. Technical support for the product technicalities and specifications with in or out of the Project.
2. Design for the improvement of the product as per experience on site & projects.

MOBILE POWER VOCATIONAL SCHOOL

Location: ***Binan Laguna, Philippines***
ELECTRONICS.

DEIF (Power in Control) (Denmark)
Power Instrument Pte Ltd

Location: ***SM Muntinlupa***
Training / seminar of

AGC- 3 & AGC-200
(Power Management / Synchronizing System)

GPU / Delomatic 4
(Hydro Power Plant Controller)

PROJECT

R10-MEMBER 90671264

SF-6 Engineering Services
PHILIPPINES

As of	PROJECT DESCRIPTION	OWNER / CUSTOMER	SCOPE	REMARKS
2016	Electrical & Mechanical Built & Design	Alaska Corporation	Gate 5 Rehabilitation of Motorized Gate (Electrical & Mechanical Works)	Completed
2015	Electrical Design, Built & Estimate	Absolute Distiller Incorporated	Design & Estimate to PLC controller of Dry Ice Machine	Completed
2015	Mechanical Design, Built & Estimate	Absolute Distiller Incorporated	Design & Built of Dry Ice Machine Square Mould	Completed
2015	Electrical Built & Design	Alaska Corporation	Alaska Maintenance office	Completed
2015	Electrical Design. Fire Alarm System “Cornice” Montemaria Batangas	Monte Maria / Jayar Inc.	Electrical Design & Built Fire Alarm System	Completed
2014	Electrical Works Production Area Cavite Industrial Area	Firestone / Jayar Inc.	Production Area Electrical Installation (Power & Controller Installation)	Completed
2014	Mechanical (Ducting) Works Production Area Cavite Industrial Area	Firestone / Jayar Inc.	Production Area Mechanical Installation (Air Vent and Ducting Installation)	Completed
2014	Electrical fit-out works “Raffles Residence” Makati City	Jayar Inc.	Electrical Design & Estimate Fit-out work of 2 bedroom Condominium	Completed
2014	Electrical Built & Design	Sandugo	Sandugo Installation of Fire Alarm System	Completed
2014	Electrical Built & Design	Sandugo	Sandugo Installation of Emergency Light	Completed
2014	Mechanical Built & Design	Sandugo	Sandugo Installation of Exhaust System	Completed
2014	Electrical Built & Design	Lachica Law Office	Electrical Design & Estimate Fit-out work of Law Office	Completed
2014	Electrical Built & Design	Sandugo	Rehabilitation of Production Area (Power & Controller System)	Completed

As of	PROJECT DESCRIPTION	OWNER / CUSTOMER	SCOPE	REMARKS
2014	Electrical As-Built & Design	Sandugo	Office & Production, Plant Area	Completed
2014	Electrical works & Design	Sandugo	Plant ACU Electrical Supply	Completed
2014	Mechanical Works & Design	Sandugo	All ACU Plant Area	Completed
2014	Electrical Built & Design Service Entrance & Electrical room	Sandugo	Sandugo Office & Sandugo Production Area	Completed
2014	Mechanical Built & ACU Design	Sandugo	Sandugo Office & Sandugo Production Area	Completed
2014	Electrical Design X-habit fit-out works Electrical	My Phone	My Phone Electrical Design for Mall	Completed
2013	Electrical Design	Urban Food Concept	Electrical Design & Estimate of Fast Food Chain (MOSHI KOSHI)	Completed
2013	Mechanical ACU Design	Urban Food Concept	Mechanical Design & Estimate of Fast Food Chain (MOSHI KOSHI)	Completed
2013	Sub-station Electrical Design	Apalit Ice Plant	Sub-station Electrical Design & Estimate of Ice Plant	Completed
2013	Electrical Design	KIA	Electrical Design & Estimate of KIA Service Center	Completed
2013	Mechanical ACU Design	KIA	Mechanical Design & Estimate of KIA Service Center	Completed
2013	Electrical Design & Installation. Lian Batangas	Absolute Distiller Inc.	Installation of Power Supply & Modification of Controller. MYCOM Compressor	Completed
2013	Mechanical Design & Installation. Lian Batangas	Absolute Distiller Inc.	Installation & Modification of Mechanical Controller. MYCOM Compressor	Completed
2012	Electrical Built & Design Sub-station Calaca, Batangas	Southbay Bulk Terminal Inc.	Electrical Sub-station Installation, Test & Commissioning.	Completed
2012	Electrical Design Calaca, Batangas	Southbay Bulk Terminal Inc.	Perimeter Light (Tank Area)	Completed

As of	PROJECT DESCRIPTION	OWNER / CUSTOMER	SCOPE	REMARKS
August 2010	Electrical works CO2 Recovery Plant	Absolute Distiller Incorporated	Electrical Design & Estimate of CO2 Recovery Plant	Completed
August 2010	Mechanical Works CO2 Recovery Plant	Absolute Distiller Incorporated	Mechanical Design & Estimate of CO2 Recovery Plant	Completed
July 2010	PEPSI Electro-Mechanical Works Case Packer Machine	PEPSI / Powerflow Industries	Rehabilitation/modification/ Installation/Design/ Commissioning of Case Packer Machine (2-unit)	Completed
June 2010	Electro-Mechanical Works Roller Control System	TAKATA	Electrical/Mechanical Design of Roller Control System.	Completed
February 2010	Allied Bank	Allied Bank Main	Electrical Design & Estimate Synchronization of (3) three Generator	Completed
December 2009	Keppel Shipyard Batangas	DYNAMI II / TES	Power Barge High-Voltage Termination (6.9 & 15Kv)	Completed
December 2009	PEPSI Electro-Mechanical Works Sac Mixer	PEPSI / Powerflow Industries	Installation/Design/ Test & Commissioning of Sac Mixer	Completed
December 2009	Robinson Supervision,Supply and Installation of Electrical Fit out Works. (OFFICE)	Alzate & Partners	Electrical Estimate, Design & Electrical Installation – Straight Contract	Completed
December 2009	Robinson Supervision,Supply and Installation of Mechanical Fit out Works. (OFFICE)	Alzate & Partners	Mechanical Estimate, Design & Electrical Installation – Straight Contract	Completed
November 2009	Quick Connect Installation	Frontier / MWSS	Electrical Design & Installation	Completed
November 2009	Bay Light Replacement	TAKATA	Electrical Installation/Replacement of Bay Light	Completed
October 2009	Re-habilitation	B&D /MWSS	Re-habilitation of Motor Control (Pumping Station)	Completed
October 2009	2-storey Residential Bldg.	ERGO	Electrical Design & Estimate	Completed
October 2009	2-storey Residential Bldg.	ERGO	Mechanical Design & Estimate	Completed

As of	PROJECT DESCRIPTION	OWNER / CUSTOMER	SCOPE	REMARKS
October 2009	Pumping Station	Aquatic Pumping Station	Service, Replacement And Programming of Inverter 50hp motor	Completed
September 2009	Medical City	Medical City	Megger Testing	Completed
August 2009	Whyeth Philippines	Whyeth Philippines / Powerflow	Electrical Service (Electrical Trouble Shooting)	Completed
July 2008	HAMPTON TOWER Electrical Fit out Works. (Condominium)	Alzate & Partners	Electrical Estimate, Design & Electrical Installation – Straight Contract	Completed
July 2008	HAMPTON TOWER Mechanical Fit out Works. (Condominium)	Alzate & Partners	Electrical Estimate, Design & Mechanical Installation – Straight Contract	Completed
June 2009	Electro-Mechanical Works Whyeth Philippines	Whyeth Philippines / Powerflow	Design, Estimate and Fabrication of Dosing System	Completed
June 2009	Electrical & Mechanical ACU Design Howard Chua Residence	DC Almanzor	Residential (2 Storey Building) Electrical & Mechanical Design & Estimate	Completed
May 2009	Electrical & Mechanical ACU Design Abarrus Residence	DC Almanzor	Residential (2 Storey Building) Electrical & Mechanical Design & Estimate	Completed
April 2009	Electrical & Mechanical ACU Design Ybanez Residence	DC Almanzor	Residential (2 Storey Building) Electrical & Mechanical Design & Estimate	Completed
March 2009	Mitsubishi Exhibit in SMX / MOA, ECO-Product Exhibit '2009	Danex Sign Incorporated/PICO	Estimate And Design of Exhibit Special Electrical Installation	Completed
March 2009	Electrical Works	LORIEL Inc/ERGO	Estimate And Design and Construct of Office Electrical Works.	Completed

As of	PROJECT DESCRIPTION	OWNER / CUSTOMER	SCOPE	REMARKS
March 2009	Electrical Design (SHOW ROOM)	ASCOR Inc.	Electrical Design	Completed
March 2009	Electrical Design (CALL CENTER OFFICE)	TRIHUB Inc.	Electrical Design	Completed
March 2009	Mechanical Design (CALL CENTER OFFICE)	TRIHUB Inc.	Mechanical Design	Completed
January-February 2009	Supply and Installation and Supervision in Electrical Fit out Works.(OFFICE)	Aviva Pacific Marine Inc.	Electrical Estimate, Design & Installation - Straight Contract	Completed
January-February 2009	Supply and Installation and Supervision in Mechanical ACU Fit out Works.(OFFICE)	Aviva Pacific Marine Inc.	Mechanical Estimate, Design & Installation - Straight Contract	Completed
December 2008	Electrical Design (INDUSTRIAL Plant)	DEVICE DYNAMIC Inc.	Electrical Estimate & Design of Production Line & Distribution Line	Completed
December 2008	Chemical Dosing (PLC) Control Panel	Powerflow Inc. PEPSI Proj.	Electrical Control Panel (PLC) Estimate, Design & Installation	Completed
October 2008	Supply and Installation and Supervision in Electrical Fit out Works. (CALL CENTER OFFICE)	Devine Care Incorporated	Electrical Estimate, Design & Electrical Installation - Straight Contract	Completed
October 2008	Supply and Installation and Supervision in Mechanical Fit out Works. (CALL CENTER OFFICE)	Devine Care Incorporated	Electrical Estimate, Design & Mechanical Installation - Straight Contract	Completed
June 2008	CBBC (3) Three Storey Building	CBBC	Electrical Design & Estimate	Completed

IEEE
IEEE PES Power & Energy Society™
SF-6 Engineering PHILIPPINES
R10-MEMBER 90671264

PROJECT DESCRIPTION	OWNER / CUSTOMER	SCOPE	REMARKS
Electrical/Mechanical ACU Fit-out Works @ 3200sq meter. Of Prudential Life Building	ACNielsen (Philippines), Inc. Thru 5M-SBInc. (2008)	Electrical & Mechanical ACU Fit-out work, Electrical & Mechanical As-Built.	Completed
2nd Class Subdivision In South Area (REALTY CORPORATION)	AB Dev. Marketing Corporation	Electrical Design & Installation of (2) Two 2nd Class Subdivision located at Sta. Rosa Laguna, including MERALCO & Municipal Assistance	Completed
Conversion of Manual Synchronizing to Fully Automatic	Monarck Equipment Manila	Conversion & Modification, and Commissioning of Synchronizing Panel	Completed
Synchronization (SEMICON COMPANY)	Philips Semiconductors Cabuyao Plant	Synchronization of 2 power plant (Warstilla) & Emergency Power (Caterpillar) & Utility (Meralco) for bump less Operation.	Completed
Synchronization (SEMICON COMPANY)	Amkor Anam Industries	Synchronization of 2 Detriot Engine to their rental power utilizing the exixting synchronizing panel with PLC.	Completed
Synchronization (SEMICON COMPANY)	Philips Semiconductors Calamba Plant	Synchronization of Warstilla engine & Utility/Meralco in one common bus & make the transfer for bump less Operation.	Completed
Synchronization INDEPENDENT POWER PRODUCER/POWER BARGES	Linberg Philippines Industries	Synchronization of 2 power plant (Warstilla) & Emergency Power (Caterpillar) & Utility (Meralco) for bump less Operation.	Completed
Synchronization INDEPENDENT POWER PRODUCER/POWER BARGES	Linberg Philippines Industries	Synchronization of Warstilla engine & Utility/Meralco in one common bus & make the transfer for bump less Operation.	Completed
Synchronization (SHIPPING INDUSTRIES)	Super Ferry 8 / WG&A Jebsen Shipmanagement	Auxiliary or emergency power on board synchronizes before living the port and during sail, uses 2 generating sets. Alternately, depending on how far they will travel, their emergency power will continuously run until they are on port of thie destination, they will ase all the generating sets especially if the thruster is in operation .	Completed

PROJECT DESCRIPTION	OWNER / CUSTOMER	SCOPE	REMARKS
Synchronization (SHIPPING INDUSTRIES)	Our Lady of Lipa / WG&A Jebsen Shipmanagement	Modify & convert the load sharing device of the existing generators into an electronic one and that are class approved.	Completed
Electrical & Mechanical Installation BOTTLING INDUSTRIES	Coca-cola Bottling Plant	Installation, Pre-commissioning and Supervision of Bottling Machineries (From De-pallet to Pallet). Installation & Supervision of conveyor expansion using PLC SLC503 series.	Completed
Electrical & Mechanical Installation BOTTLING INDUSTRIES	PEPSI Bottling Plant	Installation, Pre-commissioning & Assistance of Syrup & Bottling Machineries. Using A-Due Telemechanic Automation (Italy). Installation & Supervision of conveyor expansion using PLC SLC503 series.	Completed
Electrical & Mechanical Installation BOTTLING INDUSTRIES	PEPSI Bottling Plant	Installation, Pre-commissioning & Assistance of Syrup & Bottling Machineries. Using A-Due Telemechanic Automation (Italy). Installation & Supervision of conveyor expansion using PLC SLC503 series.	Completed
Electrical & Mechanical Installation BOTTLING INDUSTRIES	COSMOS Bottling Plant	Installation & Rehabilitation of Syrup & Bottling Machineries.	Completed
PLC, Electrical & Mechanical Installation FOOD INDUSTRIES	KRAFT FOOD Inc.	Installation & Supervision of conveyor expansion using PLC SLC504 series. Electrical Installation of new Renovated production building.	Completed
Synchronization FOOD INDUSTRIES	CHOWKING FOOD Inc.	Synchronization using Cummins ONAM system & conversion of monitoring device.	Completed
Servicing (Commissioning) FOOD INDUSTRIES	BACOLOD SUGAR COMPANY	Test & Commissioning of 15kv Vacuum Circuit Breaker.	Completed
Servicing (Commissioning) COMMUNICATION INDUSTRIES	SMART Communication	Test & Commissioning of 100 Amperes ATS Panel (Baguio, Zambales & Nueva Ecija)	Completed
Electrical Design & Installation	CBBC Christian Bible Baptist Church	Electrical Design & Installation of Four (4) Storey Bldg.	Completed
Design & Modification of MTS to ATS	YAZAKI TORRES Incorporated / EMI-EDS Inc. Cavite Plant	Supply & Installation of materials for the conversion of medium voltage MTS to ATS.	Completed

PROJECT DESCRIPTION	OWNER / CUSTOMER	SCOPE	REMARKS
ATS Panel 3000 Amps .	Water Front Hotel, Cebu	Installation and Commissioning	Completed
ATS Panel 800 Amps.	RCCI Cement Rizal	Installation and Commissioning	Completed
.Installation of 600Kva, 3-phase Bus Duct	HOPEWELL POWER PHILS. INC. Pagbilao Power Station	Installation & Commissioning	Completed
15 KV Low Voltage Switchgear	Tutuban Properties	Installation & Commissioning	Completed
ATS Panel 2000 Amps .	GMA 7 Quezon City	Installation and Commissioning	Completed
Modification of MCC to PLC mode Filling Station	Phil. Power Electric PETRON Project	Test & Commissioning of MCC (10 Motor)	Completed
Electrical & Mechanical Works Syrup & Bottling Machineries	PEPSI COLA PHILS. San Fernando Plant	Installation & Pre-Commissioning of Syrup & Bottling Line Machineries	Completed
Electrical &Mechanical Works Bottling Line Machineries	SASSIB BEVEREGE PHILS. Coca-cola Canlubang Plant	Installation & Pre-Commissioning of Syrup & Bottling Line Machineries	Completed
Installation & Construction of TOP CHOICE SUPERMARKET	TOP CHOICE SUPERMARKET GMA, Cavite	Electrical Installation of whole Bldg., including CCTV, Tel,(PABX), Centralized Music & Communication System.	Completed
