

CHIDOZIE DONATUS OKECHUKWU

Email: chidoziedonatus504@gmail.com
Phone number: +2348164077005
No 9 Ijinda Eke Close, Off Nvuigwe Road, Woji,
Portharcourt River State

INSTRUMENTATION ENGINNER

Donatus has over 6 years of experience in calibration of instrument and valve maintenance, servicing, root cause analysis (RCA) reporting, pressure testing, planning and execution of jobs. I have been involved in many onshore, offshore implementations of projects, ensuring quality And scheduled delivery of solutions.

My responsibilities include Supervising, servicing, pressure testing, calibration and documentation. Am well experienced in servicing, testing and calibration of pressure switchs,temperature, pressure, differential recorders, static, temperature transmitter, gauges, control valves & ball, check valves, pressure relief valves and pressure vacuum safety valve using the required standards.

Objective:
To make positive contributions in the area of engineering, Oil and Gas and client relationship with a view to meeting the strategic objectives of any organization to which I belong and to keep myself constantly challenged with commitment to innovations and client services.

PERSONAL DATA

Gender:	Male
Date of Birth:	22 June 1988
State of Origin:	Imo State
Nationality:	Nigerian
Marital Status:	Single
Address:	No 9 Ijinda Eke Close nvuigwe OFF Woji, Port Harcourt
Phone Number:	+2348164077005
Email Address:	chidoziedonatus504@gmail.com

Institution Attended	Certificate Obtained	Year
Federal Polytechnic Nekede	OND &HND. in Electrical/Electronic Engineering	2011/2015
Madonna senior secondary for science Ihitte Uboma	Senior School Certificate	2006
Community Primary School Umuariam Obowo	First School Leaving Certificate	2000

WORKING EXPERIENCE

1 **Company:** PASADE GLOBAL RESOURCE/BLEUEVE
Position: Inspector/instrument technician
Client: Total upstream
Locaton: Amina
Proect title: inspection of welding machine, grinding machine, electrode Oven, drilling machine
Date: Feb 2022-march 2022

2 **Company**: Kent German Global limited
Position: instrument engineer/ Supervisor
Client: Exxon Mobil upstream Nigerian
LOCATION. USAN FPSO
Project title: calibration of transmitters, control valves and pressure safety devices
Date: August 2020 –TILL DATE
Duties:
RCA on the pressure, temperature transmitter, control valves and pressure safety devices
Calibration of pressure, differential & temperature transmitter and Pressure safety valve
Commission of the transmitters

3 **Company**: Kent German Global limited
Position: instrument engineer/ Supervisor
Client: NDPR
Project title: calibration of transmitters and control valves
Date: Feb 2020 -August 2020
Duties:

RCA on the pressure, temperature transmitter and control valves.
Calibration of pressure & temperature transmitter
Commission of the transmitter

4. **Company**: Kent German Global limited.
   Position: Instrument engineer
   Client: Saplat

Project title: calibration of transmitters and recorders
Date: Jan 2020 -feb 2020
Duties:
. RCA on recorders and transmitter
. Service's and calibration of pressure, temperature, differential Transmitter and recorder
. Commission of the transmitters and recorder

5 **Company:** Kent German Global Limited
Position: Team lead
Client: Exxon mobile Upstream Nigeria Limited
Project title: Overhauling/Calibration of PSV Project for ERHA FPSO
Location: **ERHA** FPSO
Date: July 2019 – till date
Duties:
. RCA on safety valves
. Servicing and overhauling of pressure safety valves (PVS)
. Calibration/recertification of pressure safety valves
. Re-validation of pressure safety valve offshore
. Commissioning of the pressure safety valves
. Identification and tagging of pressure safety valves

6 **Company:** Kent German Global Limited
Position: Team lead
Client: Exxon mobile Upstream Nigeria Limited
Project title: Overhauling/Calibration of valve's Project for UBIT
Location: UBIT FPSO
Date: January 2018– January 2019
Duties:
RCA on valve's
Servicing and overhauling of valve's
Calibration/recertification of valve's
Re-validation of valve's offshore
Commissioning of the valve's
Identification and tagging of valve

Kent German Global Limited
Position: PSV Engineer/Supervisor
Client: SCHLUMBERGER, HALIBURTON
Project title: Onshore Overhauling and Calibration of PVSV Project for Akpo Fpso
Location: KGG Base
Date: November 2017

Duties:

Carried out RCA on equipment(root cause analysis)
Re-certification of pressure pumps.
Pressure testing of fabricated spools
Pressure testing of hydraulic hose
Calibration of pressure chart recorder/pressure gauges
Calibration of Venier Caliper**.**

8 **Company**: Kent German Global Limited
Position: PSV Engineer
Client: Total Upstream Nigeria Limited
Project title: Overhauling /Calibration of Pressure Safety Valves
Location: USAN FPSO
Date: September 2015 – December 2015

Duties:

Dismantling of safety valves from the line
Calibration , overhauling , servicing and recertification of pressure safety valves for first oil
Overhauling, servicing, testing, calibration and recertification of pressure control valves (PCV)
Overhauling, servicing, testing, calibration and recertification of vacuum valves (PVSV)
Production of tags, identification and tagging of safety valves in all the plant
Re-installment after calibration
Commissioning exercise of the safety valve

9 **Company**: Kent German Global Limited
Position: PSV / VALVE / INSTRUMENTATION ENGINNER
Date: 2015 –Till Date
Duties:

Valves root cause analysis preparation and reporting.
Valves testing and calibration certificate preparation
Valves servicing, testing and calibration.
Valves inspection reporting
Use of Ventil test bench for PSVs calibration.
Use of Servo hydraulic test bench for shut off valves testing.
Use of Hydration Test Bench for calibration of pressure relief valves.
Use of Forever star test bench for butterfly valves testing.
Use of Resato high pressure gas booster pump for gas testing
Use of Servo hydraulic test bench for control valve testing.

Maintenance, calibration of mechanical, electrical, electronic measurement equipment such as pressure gauges, temperature gauges, pressure transmitters and insulation tester.

Maintenance and calibration of chart recorders

Maintenance and calibration of Mercury Thermometer, digital Thermo regulator (RVP), digital weighing scale, Glass Capillary Viscometer, Analytical Weighing Scale
