SKILLS

- Quality Checking of Electrical Works (IEC, NEC, NFPA,NEMA Standards)
- AutoCAD & MS Office
- Construction Site Supervision & Project Management

LANGUAGES

English
Professional Working Proficiency

Hindi
Professional Working Proficiency

Malayalam
Native or Bilingual Proficiency

WORK EXPERIENCE

Electrical Engineer
VB Engineering

08/2019 - 12/2021, *India*
Building Contractor

Achievements/Tasks

- Advised for planning & quantity estimation wherever is necessary.
- Guided Draftsman to prepare shop drawing
- Co-ordinated between Civil, Electrical & Mechanical Engineers to avoid clashes between the Building Construction services.
- Managed 'Installation of Switch gears, Electrical Wiring of Buildings (light & Power), LV & Instrumentation Cable glanding and Termination, LV Cable laying & dressing and works related to 'Lightning Arrestor, Cable Tray laying, Grounding, Fiber Optic Cable, Fire & Safety, etc.' '
- Pre - commissioned the activities within Substation building.

Electrical Engineer
Nasser Al Hajri Corporation

05/2017 - 07/2019, *KSA*
Industrial Contractor

Achievements/Tasks

- Carried out planning & quantity estimation wherever is necessary. Guided
- Draftsman to prepare shop drawing
- Coordinated Construction activities in PDC Building of Air Separation unit (Air Products - Saudi Aramco) at IGCC Project, Jazan Economic City, Saudi Arabia
- Managed 'Installation of Substation Switch gears, Installation of External Lighting System (Pole mounted, Ceiling mounted, structural mounted), Electrical Wiring of Substation Building (Lighting & Power) and Transformer erection, MV, LV & Instrumentation Cable glanding and Termination, LV, MV & HV Cable laying & dressing and works related to 'Lightning Arrestor, Cable Tray laying, Grounding, Fiber Optic Cable, Fire & Safety, battery Installation etc.' '
- Pre - commissioned the activities within Substation building.

Assistant Engineer (Contract Basis)
KSEB Ltd. - 66/11 kV Substation

07/2015 - 04/2017, *India*
Power Transmission Center

Achievements/Tasks

- Inspected 'Yard Equipment, Trip Circuit Healthy (TCH) Indication of feeder panels, HV & LV Switch Gears including Control Wiring' etc. and checked 'Temperature and Oil level of Transformers, Leakage current of Lighting Arrestors, Voltage of Battery Chargers etc.'
- Prepared Reports of 'Voltage & Current Reading for 66kV & 11kV Lines, feeders Maintenance work,Interruptions of 66kV & 11kV Side, Voltage & Specific Gravity of Batteries etc.'
- Coordinated with the different section offices sub engineers as well as within the substation team.Maintained
- log of daily routine and emergency operations with line outages and weather conditions.

Asst. Electrical Engineer
VB Engineering

07/2013 - 07/2015, *India*
Contracting Company

Achievements/Tasks

- Planned & Estimated Quantities for Light & Power System Works.
- Prepared Shop Drawings as per Site requirements.
- Executed Light and Power System including Cable Glanding, termination and Busbar Grounding.

ACHIEVEMENTS

Certificate of Appreciation from SAIPEM (2018 - 2019)

For the outstanding contribution to the successful energization of substation 007 of Jazan Integrated Gasification Combined Cycle Project.

Certificate of Recognition from SAIPEM - 2 Times (2018 - 2019)

For the successful achievement of assigned tasks as E&I Engineer of Jazan Integrated Gasification Combined Cycle Project.

EDUCATION

Bachelor of Engineering in Electrical

Anna University, Chennai

2009 - 2013, *Chennai, India*
