- Performed visits to project construction sites during the design, construction and commissioning phases to provide support.
- Assisted in the preparation of integrity assessments on pipes and pipelines and comparing them with their respective international standards such as ASME, API, NFPA, BS etc. as applied to mechanical and piping engineering.

WELLSTEER OILFIELD TECHNOLOGY LIMITED **Benin, Edo State**
Production Engineer Intern *November 2017 – July 2018*

- Prepared HSE Plan, Security Plan, and Medical Evacuation Plan with Safety reports and documentation.
- Teamed with the engineering department to conduct well testing, slick line and wireline services.
- Provided regular maintenance of diesel generators.
- Aided in facility energy analysis.
- Handled Technical reports, toolbox talks, and permits on site as safety officer.
- Teamed with the engineering department to carry out integrity assessment.
- Preparing reports and documentation.

DEPARTMENT OF PETROLEUM RESOURCES (Industrial Layout) **Akure, Ondo State**
Mechanical Engineering Intern *April 2016 – September 2016*

- Aided in facility energy analysis.
- Monitored petroleum products inspection, transfer and control.
- Teamed with engineering department to test design of materials; documented findings.
- Provided regular maintenance schedule of diesel generators.
- Acquired equipment and materials to timely handle inadequacies.
- Prepared reports and documentation.
- Flushed, gauged and Hydrotested gas pipelines.

EDUCATION

Federal University of Technology, Akure. **Akure, Ondo State**
Bachelor of Engineering -B.Eng 2012 - 2017

- Second Class Honours (*Upper Division*) in Mechanical Engineering

Methodist Grammar School, Bodija. **Ibadan Oyo State**
West Africa Examination Council Certificate ***(WAEC)*** *2004 - 2010*

Novelle Institute of Safety (NEBOSH Accredited) **Benin, Edo State**
Health and safety Executive *In View*

- Distinctions in Risk Assessment, Fire Safety and Basic First AID/CPR

SKILLS

- Software Experience: Pro E, AutoCAD, Microsoft office suite, MS Project, Primavera, AutoCAD Plant
- Prioritize and plan of work activities
- Ability to coordinate and work with people in a work environment
- Good command of English
- Good leadership, negotiating and influencing skill

SPOKEN LANGUAGES

- English- very competent user
- Urhobo- intermediate user
- Yoruba- intermediate user
