MATTHEW O'NEILL

Profile

An experienced up-stream Oil & Gas professional with 26 years' experience of international, onshore and offshore operating environments. As a manager who also performs engineering tasks and executes operations I lead by example, maintaining highest SQ and HSE performance. I am flexible in working and consider myself to be a good problem solver who takes professional pride in my work. I apply meticulous attention to detail, offering a collaborative approach to teamwork and a disciplined work ethic to ensure high quality and standards. A conscientious and pragmatic team player with a demonstrated ability to lead and contribute effectively within the workforce.

Career Summary

- Locations Worked: UK, Holland, Denmark, Germany, USA, Canada, Colombia, Ecuador, Ivory Coast, Saudi Arabia, Qatar, Iraq and Mexico. Working in a variety of oilfield environments offshore Noth Sea, Middle East, Africa, Ecuador, Onshore in Latin America, Middle East, US, Canada.
- Key areas of exposure: Wellsite operations and supervision, Project planning and programming, AFE / P&L financial management, Operations Management, Leading Multi-Disciplinary Teams, Contract negotiation and appraisal, line management, Mentoring and Team Building, International & Remote Operations, Root Cause Analysis, Incident investigation, Risk Management, Work Over & Production Enhancement.

Employment History

Lewis Energy Colombia **December 2015 – Present**

Completions & Well Interventions Manager

- Managing completion and well intervention operations for Lewis Energy Colombia in with a portfolio of production ranging from high pressure gas to low pressure oil environments. Planning and executing all Completion & Well Intervention activities including new well completions, workovers, Eline logging, tractors, perforating and pump down, CT mechanical and stimulation services, surface pumping chemical stimulations and multistage fracking, Slickline mechanical services and memory logging, wellhead maintenance and tree change outs, fishing and pipe recovery, P&A operations
- Designing, planning, and executing all Completion & Well Intervention activities, as well as performing wellsite supervision for workovers, eline logging, tractors, perforating and pump down, CT mechanical and stimulation services, surface pumping chemical stimulations, multistage fracking, slickline mechanical services and memory logging, wellhead maintenance and tree change outs, fishing and pipe recovery, P&A operations.
- Financial management of AFEs >$65MM/year

- Schlumberger Wireline, Aberdeen, UK - Field Specialist **May 2002 – Feb 2004**
- Schlumberger Wireline, Shetland, UK – Wireline Operatoe – Field Specialist **Dec 1997 – May 2002**

Professional Qualifications & Training

- OFS3 & OFS 4 - Management Seminars
- Maxpro 3 (Advanced – Reservoir Evaluation program, formation evaluation, petrophysics, petroleum engineering modular LMS educational program).
- Xpert 1, 2 & 3 (Basic - Advanced technical training program for Field Specialist / Engineers modular LMS educational program, reservoir engineering, formation evaluation, industrial ballistics).
- SVQ – Well Services & Electric Logging Operations – Petroleum Engineering
- IWCF Level 4 Well Intervention & Workover Pressure Control. Options included: Wireline, Snubbing, Coiled Tubing
- IADC Wellsharp - Well Servicing Oil and Gas Operator Representative
- Four Highers: English, Maths, Chemistry, Physics
- Six O' Levels: English, Math's, Physics, Chemistry, Computing and Geography
- Software Knowledge: Office suite, Wellview, SAP, Cerberus, various simulation, and engineering software packages
- Languages: English, Spanish

Personal Information

- Citizenship: United Kingdom citizen and Colombian resident.
- CE 336917
- UK Passport 720085463
- Address: Calle 134 #12a – 10 Casa F15, Bogota, Colombia
- Cell: +573228320631
- Email: moneill.007@outlook.com
- DOB 24 November 1975
- Country of residence: Colombia
- Married to wife Maria Teresa.
- Children Liam 11 years & Megan 10 years.
- Enjoy playing tennis, cycling, and spending my spare time with my wife and kids.
